Luke, you've come a long way and we are so proud of you! From memorizing time tables to mastering derivatives in calculus. From sprouting beans in a little cup to complex physics experiments. Mikaela, I am so proud of you and all you have accomplished. You have grown to be an amazing young woman. Love You, Mom

**Sophie  
Troyer**

Sophie, you have endured so much – severe chronic health conditions, spine surgery, and more. Yet, you have accomplished all of your high school goals: #1 rank in your senior class, full IB diploma, leadership positions, etc. God has a VERY special purpose for your life as He has saved you so many times. Always let God lead you, and remember, "I love you best!"

Love Always, Mom

I admire your many traits: achiever, kindness, beauty, can-do attitude, curiosity, faith, hard worker, love, and respect. You've accomplished more at GHS than I ever did! I'm so proud of you.

Love, Dad
